Small badge
Big badge

The badge issued for each CHiLO Book is called a "small badge", and the badge issued after earning all the badges of the series or badges of specified CHiLO Books is called a "big badge".

Teacher-level or higher privilege is necessary to confirm the badge recipients.

When administration menu does not appear, add ?chiloflag=2 to the URL and access.

Small badge

1. Open the course where you added the badge and from the administrator's menu on the bottom left, move to

Course administration > Badges > Manage badges

2. Choose the name of the badge confirmed and click ***"Recipients (number of people)"*** to display the list of users who have already earned this badge.

Big badge

1. From the administration menu shown on the bottom left of the site page, move to

Site administration > Badges > Manage badges

2. Choose the name of the badge confirmed and click ***"Recipients (number of people)"*** to display the list of users who have already earned this badge.
