

Configuring a Project

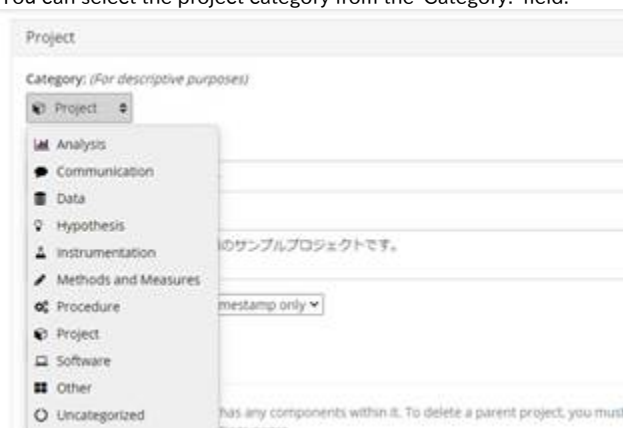

Click 'Settings' on the navigation bar at the top of the project's main screen to move to the project configuration management screen. After completing the configuration, click the green 'Save changes' button to change the project settings.

The screenshot shows the 'Project Settings' page. On the left is a navigation menu with options: Project, Access Requests, Tools, Commenting, Email Notifications, Related Links, and Project Affiliation / Branding. The 'Project' tab is selected. The main content area has a 'Project' header and a 'Category: (For descriptive purposes)' dropdown menu set to 'Project'. Below this is a 'Title' field containing 'マニュアル作成プロジェクト' and a 'Description' field containing 'これはGUDMマニュアル作成用のサンプルプロジェクトです。'. There is a 'Select Timestamp Function:' dropdown set to 'Timestamp only'. At the bottom are 'Cancel' and 'Save changes' buttons. A red 'Delete project' button is visible at the very bottom.

Registering a Category

You can select the project category from the 'Category:' field.

This screenshot shows the 'Project Settings' page with the 'Category:' dropdown menu open. The menu lists various categories: Analysis, Communication, Data, Hypothesis, Instrumentation, Methods and Measures, Procedure, Project, Software, Other, and Uncategorized. The 'Project' category is currently selected.

Changing a Project Name

Please enter the new project name in the 'Title:' field. After completing the configuration, click the green 'Save changes' button to change the project settings.

The screenshot shows the 'Project Settings' page with the 'Title' field updated to 'マニュアル作成プロジェクト'. The 'Category' is still 'Project'. The 'Description' field remains the same. The 'Save changes' button is highlighted in green.

Registering a Project Description

Please enter a description of the project in the 'Description:' field.

After completing the configuration, click the green 'Save changes' button to change the project settings.

The image shows a 'Project' configuration dialog box. It has a title bar 'Project'. Below it, there is a label 'Category: (for descriptive purposes)' followed by a dropdown menu showing 'Other'. Then, there is a 'Title:' label followed by a text input field containing 'マニュアル作成用プロジェクト'. Below that is a 'Description:' label followed by a larger text input field containing 'これはGIMPマニュアル作成用のサンプルプロジェクトです。'. At the bottom, there is a 'Select Timestamp Function:' label followed by a dropdown menu showing 'Timestamp only'. At the very bottom, there are two buttons: 'Cancel' and 'Save changes'.

Selecting a Timestamp Function

Currently, you can select 'Timestamp only'.
