This page contains information for those who use the online analysis system with an OpenIdP account.

## How to create an OpenIdP account

If you are a new user, please follow the steps below to register a new OpenIdP account.

1. Access <https://openidp.nii.ac.jp/> with a browser. The new registration screen will appear.

The screenshot shows the OpenIdP registration page in a web browser. The address bar shows <https://openidp.nii.ac.jp>. The page has a header with the "OPEN IDP" logo and a counter showing "04854 registered accounts". Below the header is a navigation bar with tabs: "新規登録" (New Registration), "登録情報更新" (Update Registration Information), "パスワード" (Password), "このサービスについて" (About this service), "利用可能サービス" (Available services), and "English". The main form contains the following fields: "ユーザーID" (User ID) with value "hoge", "表示名" (Display Name) with value "hoge", "メールアドレス" (Email Address) with value "hoge@example.ac.jp", "パスワード" (Password) with masked characters, and "パスワード(もういちど)" (Password (again)). Each field has a blue checkmark icon to its right. A green progress bar is shown below the password fields with the text "強固です。" (Strong). At the bottom of the form is a "登録" (Register) button. The footer contains copyright information: "© 2011 National Institute of Informatics | お問い合わせ: openidp-admin@nii.ac.jp | [利用規約](#) | [プライバシーポリシー](#)".

2. Enter all fields.
  - User ID: Enter this when logging in. Alphanumeric characters and some symbols . - \_ can be used. Feel free to choose an ID that is easy to remember.
  - Display Name: Enter your display name freely. It can be the same as your user ID.
  - Email address: You can use an email address with the [ac.jp](#) or [go.jp](#) domains. Other domains may be accepted upon request.
  - Password: You can use alphanumeric characters and half-width symbols. You can use any password you like in at least 8 characters long.
3. Click "Register". A confirmation email will be sent to the email address you entered.

The screenshot shows the OpenIdP registration completion page. The address bar shows <https://openidp.nii.ac.jp/register/finished>. The page has the same header and navigation bar as the registration page. The main content area contains a message box with the text: "入力されたメールアドレスにメールを送信しました。メールを受信してお手続きを継続してください。" (We have sent an email to the email address you entered. Please receive the email and continue the registration process). The footer is the same as the registration page.

4. Open the confirmation email and access the URL provided. The registration completion screen will be displayed.

- Click "Login". The login screen will appear.

- Enter your User ID (not your email address) and password, and click "Login".

- Check "I agree to the Terms of Use" and click "Submit". The Select Send Attributes screen will appear.

8. Click "Agree". The Update Registration Information screen will appear.

9. This completes the registration of a new OpenIDP account. Close your browser.

## How to use an OpenIDP account

The procedure for using the online analysis system with an OpenIDP account is as follows.

1. Use your browser to access the online analysis system (URLs beginning with <https://jupyter.cs.rcos.nii.ac.jp/> or <https://binder.cs.rcos.nii.ac.jp/>). The first time you do this, you will be prompted to select your institution.
2. Select "OpenIDP" at the bottom of the affiliation list; if you are using an OpenIDP account, **do not select your own affiliation**.

3. Click "Select". The login screen will appear.

4. Enter your user ID (not your e-mail address) and password, and click "Login". The Select Send Attribute screen will appear.
